Membership – New Cards – At the present time we have 205 members for 2027, paid to date which brings our membership percentage to 67%. Remember the Post Dues are \$45.00 per member, this year. There are still members out there who have not paid their dues in a couple of years. That could help bring the post up. Please submit your dues either through the Post or on-line. **Renew your membership today and be part of the growing American Legion Family!**

NEED A DD-214? GO to our website: gapost178.org, Click Top Left of Page – VA- Veterans DD-214 (FOIA), Then right side down to Military Service Records and Next of Kin Requests; then click NPRC request; then follow the information prompts to submit online. ([VA Freedom of Information Act Hand book](#)). VA Agency FOIA mission is to encourage and oversee agency compliance with the Freedom of Information Act (FOIA). Ensuring our team receives, date-stamps, and acknowledges your FOIA requests; Providing transparency (PDF, 2 Pages); according to law at the highest level possible; Initiating timely proactive disclosures by releasing documents via our Public Access Link (PAL); Providing responsive records quickly and efficiently with password protection capability; Providing guidance through the FOIA Liaison; Ensuring VA policies comply with Federal regulatory requirements and legislative mandates and are consistent throughout each VA Administration (Veterans Health Administration, Veterans Benefits Administration, and National Cemetery Administration).

Veterans Benefits Administration - Requests for C-File, Service and C&P exams.

NOTE: Once you're in **AccessVA**, you will find a convenient "Quick Submit" tab that you can utilize. A VA claims file often called a C-file, is a collection of records kept by VA in connection to a veteran's disability claim(s). When a veteran first files a claim for benefits, VA will request the veteran's service records and any medical records relevant to the claim. As your claim progresses, your claims file will grow. Any additional claims you file will be added to your existing C-File as well.

HELPFUL HINTS - Note: Submitting a FOIA request to obtain personal records (i.e. Privacy Act records request) could delay overall processing. **Additional Tips:** Review all the categories carefully before submitting to ensure your request is routed correctly; Keep a record of your submission confirmation for future reference; For detailed guidance, some sections provide links to resources or full instructions — be sure to read these if available.

VOLUNTEERS NEEDED AT THE POST - If you are interested in volunteering, then contact the Post Commander Grant Whiteley at 706-793-1724. I am always grateful to all my officers, our management, the Ladies Auxiliary, the SAL and the Riders for all the time and energy they have dedicated into helping the post, the veterans and the community. If possible, all officers need to attend both the executive board meeting on the 1st Tuesday of the month and along with the members, the membership meeting on the Second Tuesday of each month. We need a volunteer for Service Officer. Please step up to the plate and support us. **Thank You! Website: (gapost178.org) GBW!**

Our prayers go out to the family members of our veterans who have passed away this year! May God Bless you all and your families.

Commander's Message

Membership – New Cards – At the present time we have 205 members for 2027, paid to date which brings our membership percentage to 67%. Remember the Post Dues are \$45.00 per member, this year. There are still members out there who have not paid their dues in a couple of years. That could help bring the post up. Please submit your dues either through the Post or on-line. **Renew your membership today and be part of the growing American Legion Family!**

NEED A DD-214? GO to our website: gapost178.org, Click Top Left of Page – VA- Veterans DD-214 (FOIA), Then right side down to Military Service Records and Next of Kin Requests; then click NPRC request; then follow the information prompts to submit online. ([VA Freedom of Information Act Hand book](#)). VA Agency FOIA mission is to encourage and oversee agency compliance with the Freedom of Information Act (FOIA). Ensuring our team receives, date-stamps, and acknowledges your FOIA requests; Providing transparency (PDF, 2 Pages); according to law at the highest level possible; Initiating timely proactive disclosures by releasing documents via our Public Access Link (PAL); Providing responsive records quickly and efficiently with password protection capability; Providing guidance through the FOIA Liaison; Ensuring VA policies comply with Federal regulatory requirements and legislative mandates and are consistent throughout each VA Administration (Veterans Health Administration, Veterans Benefits Administration, and National Cemetery Administration).

Veterans Benefits Administration - Requests for C-File, Service and C&P exams.

NOTE: Once you're in **AccessVA**, you will find a convenient "Quick Submit" tab that you can utilize. A VA claims file often called a C-file, is a collection of records kept by VA in connection to a veteran's disability claim(s). When a veteran first files a claim for benefits, VA will request the veteran's service records and any medical records relevant to the claim. As your claim progresses, your claims file will grow. Any additional claims you file will be added to your existing C-File as well.

HELPFUL HINTS - Note: Submitting a FOIA request to obtain personal records (i.e. Privacy Act records request) could delay overall processing. **Additional Tips:** Review all the categories carefully before submitting to ensure your request is routed correctly; Keep a record of your submission confirmation for future reference; For detailed guidance, some sections provide links to resources or full instructions — be sure to read these if available.

VOLUNTEERS NEEDED AT THE POST - If you are interested in volunteering, then contact the Post Commander Grant Whiteley at 706-793-1724. I am always grateful to all my officers, our management, the Ladies Auxiliary, the SAL and the Riders for all the time and energy they have dedicated into helping the post, the veterans and the community. If possible, all officers need to attend both the executive board meeting on the 1st Tuesday of the month and along with the members, the membership meeting on the Second Tuesday of each month. We need a volunteer for Service Officer. Please step up to the plate and support us. **Thank You! Website: (gapost178.org) GBW!**

Our prayers go out to the family members of our veterans who have passed away this year! May God Bless you all and your families.

Commander's Message

Membership – New Cards – At the present time we have 205 members for 2027, paid to date which brings our membership percentage to 67%. Remember the Post Dues are \$45.00 per member, this year. There are still members out there who have not paid their dues in a couple of years. That could help bring the post up. Please submit your dues either through the Post or on-line. **Renew your membership today and be part of the growing American Legion Family!**

NEED A DD-214? GO to our website: gapost178.org, Click Top Left of Page – VA- Veterans DD-214 (FOIA), Then right side down to Military Service Records and Next of Kin Requests; then click NPRC request; then follow the information prompts to submit online. ([VA Freedom of Information Act Hand book](#)). VA Agency FOIA mission is to encourage and oversee agency compliance with the Freedom of Information Act (FOIA). Ensuring our team receives, date-stamps, and acknowledges your FOIA requests; Providing transparency (PDF, 2 Pages); according to law at the highest level possible; Initiating timely proactive disclosures by releasing documents via our Public Access Link (PAL); Providing responsive records quickly and efficiently with password protection capability; Providing guidance through the FOIA Liaison; Ensuring VA policies comply with Federal regulatory requirements and legislative mandates and are consistent throughout each VA Administration (Veterans Health Administration, Veterans Benefits Administration, and National Cemetery Administration).

Veterans Benefits Administration - Requests for C-File, Service and C&P exams.

NOTE: Once you're in **AccessVA**, you will find a convenient "Quick Submit" tab that you can utilize. A VA claims file often called a C-file, is a collection of records kept by VA in connection to a veteran's disability claim(s). When a veteran first files a claim for benefits, VA will request the veteran's service records and any medical records relevant to the claim. As your claim progresses, your claims file will grow. Any additional claims you file will be added to your existing C-File as well.

HELPFUL HINTS - Note: Submitting a FOIA request to obtain personal records (i.e. Privacy Act records request) could delay overall processing. **Additional Tips:** Review all the categories carefully before submitting to ensure your request is routed correctly; Keep a record of your submission confirmation for future reference; For detailed guidance, some sections provide links to resources or full instructions — be sure to read these if available.

VOLUNTEERS NEEDED AT THE POST - If you are interested in volunteering, then contact the Post Commander Grant Whiteley at 706-793-1724. I am always grateful to all my officers, our management, the Ladies Auxiliary, the SAL and the Riders for all the time and energy they have dedicated into helping the post, the veterans and the community. If possible, all officers need to attend both the executive board meeting on the 1st Tuesday of the month and along with the members, the membership meeting on the Second Tuesday of each month. We need a volunteer for Service Officer. Please step up to the plate and support us. **Thank You! Website: (gapost178.org) GBW!**

Our prayers go out to the family members of our veterans who have passed away this year! May God Bless you all and your families.

Commander's Message

Membership – New Cards – At the present time we have 205 members for 2027, paid to date which brings our membership percentage to 67%. Remember the Post Dues are \$45.00 per member, this year. There are still members out there who have not paid their dues in a couple of years. That could help bring the post up. Please submit your dues either through the Post or on-line. **Renew your membership today and be part of the growing American Legion Family!**

NEED A DD-214? GO to our website: gapost178.org, Click Top Left of Page – VA- Veterans DD-214 (FOIA), Then right side down to Military Service Records and Next of Kin Requests; then click NPRC request; then follow the information prompts to submit online. ([VA Freedom of Information Act Hand book](#)). VA Agency FOIA mission is to encourage and oversee agency compliance with the Freedom of Information Act (FOIA). Ensuring our team receives, date-stamps, and acknowledges your FOIA requests; Providing transparency (PDF, 2 Pages); according to law at the highest level possible; Initiating timely proactive disclosures by releasing documents via our Public Access Link (PAL); Providing responsive records quickly and efficiently with password protection capability; Providing guidance through the FOIA Liaison; Ensuring VA policies comply with Federal regulatory requirements and legislative mandates and are consistent throughout each VA Administration (Veterans Health Administration, Veterans Benefits Administration, and National Cemetery Administration).

Veterans Benefits Administration - Requests for C-File, Service and C&P exams.

NOTE: Once you're in **AccessVA**, you will find a convenient "Quick Submit" tab that you can utilize. A VA claims file often called a C-file, is a collection of records kept by VA in connection to a veteran's disability claim(s). When a veteran first files a claim for benefits, VA will request the veteran's service records and any medical records relevant to the claim. As your claim progresses, your claims file will grow. Any additional claims you file will be added to your existing C-File as well.

HELPFUL HINTS - Note: Submitting a FOIA request to obtain personal records (i.e. Privacy Act records request) could delay overall processing. **Additional Tips:** Review all the categories carefully before submitting to ensure your request is routed correctly; Keep a record of your submission confirmation for future reference; For detailed guidance, some sections provide links to resources or full instructions — be sure to read these if available.

VOLUNTEERS NEEDED AT THE POST - If you are interested in volunteering, then contact the Post Commander Grant Whiteley at 706-793-1724. I am always grateful to all my officers, our management, the Ladies Auxiliary, the SAL and the Riders for all the time and energy they have dedicated into helping the post, the veterans and the community. If possible, all officers need to attend both the executive board meeting on the 1st Tuesday of the month and along with the members, the membership meeting on the Second Tuesday of each month. We need a volunteer for Service Officer. Please step up to the plate and support us. **Thank You! Website: (gapost178.org) GBW!**

Our prayers go out to the family members of our veterans who have passed away this year! May God Bless you all and your families.
